

Dear Parents / Carers,

### **LKS2 PE Sessions for the first half of the Summer Term**

Please find below details of the PE lessons for the first half of the summer term. These lessons will begin the week commencing **Monday 28<sup>th</sup> April**. The swimming rota for the remainder of the year can be found at the end of this letter.

<b>Class</b>	<b>PE Activity</b>	<b>Day</b>
<b>Willow</b>	NUF (Problem Solving)	Tuesday
	NUF	Friday
<b>Chestnut</b>	Swimming	Tuesday
	NUF	Friday
<b>Maple</b>	Swimming	Tuesday
	NUF	Friday

### **PE Kit**

Please may children come into school wearing their PE kit on the day of their PE lesson:

- White t-shirt (plain or school logo)
- Plain, unbranded black leggings or tracksuit bottoms, or
- Black or purple shorts
- School jumper, school cardigan or purple logo hoodie
- Plain black or white socks
- Trainers.

Please note that earrings should not be worn for school.

### **Swimming**

Children in LKS2 will swim according to the below rota until the end of the summer term. Children who are swimming should come to school in their **school uniform** (not their PE kit). Those children who are not swimming will have a PE lesson with NUF in school and will need to come to school wearing their PE kit.

Children will need to bring a named costume and towel in a small rucksack. Swimming hats and goggles are optional. Girls should wear a one-piece costume rather than a two-piece bikini. Boys' trunks / shorts should not be longer than knee length. If it would help children to feel more comfortable, they are able to wear a t-shirt in the pool. Girls' hair should be tied up, and please do not send toiletries. All children will be dismissed from school at the end of the school day.

Swimming lessons cost £2.70 per week. Please make payments online via School Money.

Swimming is a requirement of the national curriculum and it is important that all children participate in their weekly lessons. By the end of Year 6, we aim to ensure that all children can swim at least 25 metres using a range of strokes effectively such as front crawl, backstroke and breaststroke as well as perform safe self-rescue in different water-based situations.

As a parent/carer, you play a vital role in encouraging your child to swim and learn about water safety and survival. We appreciate your support in this and ask that you inform your child's class teacher if your child is unable to participate in their weekly lesson. If you have any further questions, please contact your child's class teacher.
